

# Mural Artist Application Form

**What we do:** Our work in housing is three-fold – 1. We prepare individuals and families to become homeowners through housing counseling; 2. we build or rehab houses that are sold to homebuyers and 3. we repair the houses of homeowners who cannot repair their homes without assistance. While we have a core group of employees, most of the work in building and rehabbing homes is completed with community volunteers.

**What we seek:** We are seeking applications for a lead artist for at 32' wide x 16' high mural that will be mounted on the side of our building to celebrate 35 years as an organization serving the community in partnership with the community (volunteers and donors) who makes the work possible. We would also like a second mural that will be much simpler, also 32' x 16' that will have our logo and some words such as "building homes, communities and hope." An alternative to this is to incorporate both as one mural of 64' x 16' where the logo is incorporated into the mural of that full length.

**Where the work will be displayed:** Our building is located a few blocks from the center of Old Town in Saginaw. We are about four blocks from Court St. at the corner of N. Hamilton and Holland Ave. The mural will be located on the easternmost wall of the building that faces the Holland Ave. Bridge.

**Our Objective:** to celebrate the power of people who have worked (and continue to work) together to change the lives of people and the face of housing in our community.

**Our Goal:** a mural celebrating our history and partnership with the community.

The work will be completed on 32 pieces of wood (4' x 8') that will be assembled and mounted onto the side of the building once it is completed. Painting directly onto the side of the building is not desired (there is a railroad track that makes working directly on the side of the building difficult).
